EXPERIENCE

Environment Concept Art Intern, Remote

— June. 2024 - Sept.2024

Sugarcane Games

* Created environment concept art and props for an unreleased indie game.

* Working closely with system programmers on Unity's dynamic lighting system for different environment lighting requirements.

PROJECTS

"Synoptic Sanctum", Solo Project, Pittsburgh, PA — Aug. 2024 - Dec. 2024

Solo Environment Artist, Art Director

* Self-completed and project managed a full 3D environment pipeline production with a Sci-fi/hard-surface focus in Maya, then set dressed and lighted the scene in Unreal 5.

* Concept designed the environment based on an original worldview.

"The Sacred Encounter", Pittsburgh, PA

— Jan. 2024 - May. 2024

3D Environment Artist, Concept Artist

* Modeled, textured, and set dressed environments, props, and biomes for a short film created in Unreal Engine 5 along with two environment artists.

* Created color-scripts for the film's art direction and cinematography.

"The Mansion", Building Virtual Worlds, Pittsburgh, PA.

— Nov. 2023

3D Environment Artist, Concept Artist

* Under two weeks, collaborated with a team of five to create a two-player action game.

* Designed level layouts and game environments; modeled 3D Unity assets.

* Organized team documents and player booth for the final showcase on the 2023 ETC festival.

VOLUNTEER

Student Volunteer, SIGGRAPH 2024, Denver, CO — July. 2024 - Aug.2024

* Coordinated and assisted events in the exhibition hall and art gallery.
